CEMENT FOR SMALL REPAIR WORKS

Quota Increased

In view of the increasing demand for cement for small repair works, etc., from the general public and the general improvement in the supply position, the Government of Bombay has decided to increase the limit of free sale of cement by stockists and dealers from 10% to 20% of stocks received by them.

The cement stockists and dealers are are authorised accordingly to sell cement without permits upto 20 bags only per family per month in Greater Bombay and upto 10 bags only per family per month in the rest of the State. The public is requested to take advantage of the relaxation.

Relaxation in control and distribution of - for non-agricultural purposes.

Government of Bombay,
Public Works Department,
Government Circular No. CCD 1052,
Bombay Castle (Bombay No. 1),
11th December 1952.

Government Circular.

In partial modification of the orders issued in Government Memorandum, Labour and Housing Department No. 986/46/32856-E, dated the 20th August 1951, (copy printed as an accompaniment), Government is pleased to empower the Revenue Collectors to issue permits for cement required for non-agricultural purposes upto a limit of 5 tons of cement per head per month in any individual case.

2. Government is also pleased to direct that such stocks of cement as are not covered by issue of permits within 30 days of the receipt by the Joint Rationing Officer (Cement) of intimation of arrival of the cement with a stockist may be allowed to be disposed of by the stockist by free sale. ~~The~~ The Cement Companies should, therefore, be requested to instruct their stockists to intimate fresh receipts of stocks immediately on receipt, to the Joint Rationing Officer (Cement), Bombay, ~~to~~ to enable him to issue permits within 30 days of the receipt of intimation, and to enable the permit holders to cash the permits within that time. In disposing of such stocks of cement which are diverted for "free-sale" under the above arrangement, preference should be given to those who hold permits at any time thereafter, when stock is available for the purpose.

3. The above two measures of relaxation should come into force with immediate effect for a period of
